

L8050 PSD placement - FRONT

PAPER PROOF ONLY - NOT FOR PVC TRAY

A4 landscape / Actual size / 100%

PSD scale already applied. Do not fit to page.

Physical tray alignment remains unverified.

This line must measure exactly 100 mm.

FRONT position 1 / TOP

Left 36.721 mm / Top 66.878 mm

Artwork 85.327 x 54.277 mm

Rectangles show original PSD artwork bounds.

They are not measured physical tray slots.

Application IDs fit inside these bounds without stretching.

Compare with a Photoshop paper print using the same settings. Correct scaling first, then position.

Printer test: verify one slot and side at a time. Test card flip direction, edge clipping and QR scanning before issuing IDs.

FRONT position 2 / TOP

Left 37.051 mm / Top 139.604 mm

Artwork 85.327 x 54.277 mm

L8050 PSD placement - BACK

PAPER PROOF ONLY - NOT FOR PVC TRAY

A4 landscape / Actual size / 100%

PSD scale already applied. Do not fit to page.

Physical tray alignment remains unverified.

This line must measure exactly 100 mm.

BACK position 1 / TOP

Left 36.309 mm / Top 66.878 mm

Artwork 84.833 x 54.030 mm

Rectangles show original PSD artwork bounds.

They are not measured physical tray slots.

Application IDs fit inside these bounds without stretching.

Compare with a Photoshop paper print using the same settings. Correct scaling first, then position.

Printer test: verify one slot and side at a time. Test card flip direction, edge clipping and QR scanning before issuing IDs.

BACK position 2 / TOP

Left 37.298 mm / Top 139.851 mm

Artwork 84.833 x 54.030 mm
